discretionary trust options

All Group Life Insurance schemes must be written under a discretionary trust. Our experts are on hand to guide you through the process.

Both Registered and Excepted options are available and you will be able to choose from a Master Trust or your own trust if you prefer. We will help you through the process quickly and easily.

nomination of beneficiary

It is important to remind all employees participating in a Group Life Insurance scheme to complete a Nomination of Beneficiary form to indicate who they would like the benefit to be paid to.

Trustees will decide who receives the payout and the Nomination form is how they maintain a record of the employee's wishes. Importantly, employees need to make sure that the Nomination form is kept up-to-date to reflect any change in circumstances.

Each insurer will have a different process for the Nomination of Beneficiary, and our dedicated risk consultants will be able to inform employers on the correct process to follow.

support services

Most Group Life insurers offer additional support for an employee's family should the worst happen. These can include*:

- ✓ Bereavement support and counselling
- ✓ Employee Assistance Programme
- ✓ Probate helplines to help families at this difficult time

Our dedicated risk consultants are on hand to guide employers through the different options available.
