# let's talk about reward & recognition

Recognition in the workplace has a huge impact on employee engagement, retention, motivation and satisfaction as it evokes a sense of gratitude, belonging and trust from your employees.

**Our reward & recognition platform is an outlet for your employees to appreciate one another for great work, and tie recognition given back to your core business values. It's easy and fun to use too!**

## key features

### values

Set values for the entire company or for individual teams for employees to achieve.

### personalisation

Personalise your platform by adding your logo and branding colours and choosing images for your messaging. Employees can also personalise their profile by choosing an avatar or uploading a profile image.

### add budgets

Choose to add monetary budgets for managers and admins to reward champion employees and outstanding efforts.

### give kudos

Employees give each other kudos, thanks and congratulations when it is deserved and for achieving the values that you set. Managers are also encouraged to recognise employees.

### celebrate

Employers can celebrate birthdays and long-service rewards, as well as offering awards for employee of the month as well as quarterly, annual, teamwork and performance awards.

### rewards

Rewards are given in the form of vouchers to spend on the Rewards Catalogue, where employees get to choose from a wide variety of brands.

### perks

Managers can also choose to reward employees with perks. These can be anything you choose to suit your staff and business, such as 'have a lie-in' or 'have an extra long lunch break'.

### round up emails

Monthly round-up emails are sent to employees with activity updates from the previous month.

## benefits to the platform

### streamline

If you have existing company awards, you can streamline the process through our platform.

### inspire

Inspires teamwork and revolutionises the way employees work with each other.

### empower

Empower employees to actively look for opportunities to reward their colleagues.

### engage

Employees will be more engaged with your organisation, increasing retention and attraction.
